

Condominium Form

Quick Tips

If your transaction is for FHA Single Unit Approval, then all 4 pages of the HUD-9991 questionnaire need to be completed along with the Authorization Information form.

If your transaction involves a current FHA approved project, then only pages 1 and 2 need to be completed along with the Authorization Information form. We also need the screen print from FHA Connection reflecting the current approved project and accompanying comments page, if available.

Note: in each case, we need all pages of the HUD-9991 questionnaire returned, even if blank.
