Complex and Non-QM Loans

- Loan amounts up to \$25M+
- Interest-only programs available (O/O, 2nd home and NOO).
- No seasoning for Cash Recapture and no max cash out amount (must be within LTV limits).
- Non-warrantable condos considered¹
- Exceptions considered for FICO and seasoning of major derogs (ie. SS, BK...).
- Trailing property to be rented: rent survey to offset PITI - no equity requirement or rental history requirement.
- Trailing property to be sold: MLS listing agreement and additional 6 mo. PITI to carry the property. We do not count the additional PITI in the DTI.

Vesting Title in Entities

- We allow all types of trusts, LLCs, Sub S Corps, Partnerships.
- Pre-approval of entity is required.
- Standard LTV matrix applies.
- Expedited process with minimal paperwork.
- No interest rate add-ons.

While title may be vested in an entity, the borrower must be a natural person who completes the loan application and whose Social Security number, employment, assets and credit are used to qualify for the loan. The borrower is personally responsible for the indebtedness.

Asset Utilization: Ability to leverage your borrower's post-close liquidity to document additional qualifying income.

> NRA Lending

¹ Condotel (restrictions apply) see Axos sellers guide for full requirements (max 50% LTV).

² Co-op eligibility (New York only). No TEXAS (a)6 Home Equity. Interest Only Option is for 5 years and is available on the 5/1 program. The LTV/CLTV is the lesser of the matrix or 60%.

³ Investment Credit Score and Debt to Income exceptions considered.

⁴ The Privacy Mortgage is intended to reduce, but not eliminate, the risk of disclosure of one's residential address through the official real estate transaction recording public records ("real estate records"), namely through searches of the applicable Grantor-Grantee Index (or its equivalent), and by extension reduce, but not eliminate, the risk of misappropriation of identifying information through opportunistic searches of real estate records. The Privacy Mortgage is not intended, in each case, as a means to protect assets or wealth, to shield property from creditors, to provide any tax benefit, or to conceal the beneficial ownership of real property or any other asset. The privacy mortgage does not guarantee privacy. Axos Bank and its borrowers are required to comply with all applicable laws related to any loan. All prospective borrowers must meet credit and other eligibility qualifications. Trusts and other entities must also meet eligibility requirements.
